***Historias Virtual Exhibit/Album Premiere:*** Friday June 5, 2020

We all have a story to tell. Where did we come from? Who are our ancestors? How did we arrive at the borderlands? *Historias* is an opportunity for the El Paso community to share their own stories and memories of life, traditions, people, experiences and more. Every person's story contributes to our rich, historical tapestry and connects us to one another. Share your experience and help curate a virtual exhibition about our community, by our community. #HistoriasDesdeAbajo #HistoriasEPMH
